## Daily Essentials for Your Practice

### ErgoLite X

Ultra-lightweight color-coded handles at 14 g — covering a full assortment of scalers, curettes, and everyday instruments for efficient daily use.

### ErgoLite S

Classic textured steel handles, solid or hollow — available across a wide range of scalers, curettes, and diagnostic instruments for reliable everyday performance.

### ErgoLite Elevators

A complete tray-organised assortment of luxating elevators with plastic handles — straight, curved, contra, and dual-edge tips for atraumatic tooth and root loosening.

### ErgoLite Mirror handles

Lightweight ergonomic handles in 11 vibrant colors, compatible with all SS socket mirrors and designed for both standard and cone socket configurations.

Available in 11 colors

Lemon Green 9314C | 9314

Misty Cyan 9313C | 9313
